**MARY GERALDINE JACKSON FOGLE  
RESIDENT OF THE MONTH**

Mary Geraldine Jackson Fogle was born February 18, 1926 in Holy Cross, Kentucky. At an early age, Geraldine had an unfavorable but happy upbringing. With her father passing when Geraldine was only one year old, their trials and tribulations began. Her family of 12 children had a close kinship that grew even

closer as the years went on. Times were brutally tough, but Geraldine said her mother made sure there was always food on the table, and they were happy. As the years swiftly passed, Geraldine was married to Avone Fogle for 60 plus years. They had four boys: Kenny, Danny, Gary and Darren.

Geraldine simply finds joy in living life, and it's contagious to be in her presence. Being around her gives you the peace of knowing that we are meant to be nothing short of happy as we live our lives.

We're so thankful Geraldine chose WG to be her home, and we're beyond blessed to have her here. Congratulations, Geraldine, on being our May Resident of the Month!

Webster's true definition of a Mother is a selfless, loving human who must sacrifice many of their wants and needs for the wants and needs of their children. Often described as loving, compassionate, endearing, kind, protective, strong, extraordinary, intuitive, caring and mindful. Our mothers are our first teacher and most importantly our first friend. We would like to acknowledge all of the mothers of Windsor Gardens, residents, family, friends and staff members. May you be honored each day of the May month. We love you for every sacrifice that you silently made for each of us!
